Dear Community Stakeholder:

We present to you an exciting, once-in-a-lifetime opportunity to be a significant supporter of the celebration and commemoration of a fantastic milestone in our country's history – *the 250<sup>th</sup> anniversary of the birth of our nation.*

As we have officially partnered with the RI250 Commission, established by joint resolution from the Rhode Island General Assembly, and anticipate many more partnerships with similar committees in neighboring communities, we are now actively soliciting local fiscal support to grow our [calendar of events](#).

Not only is “semiquincentennial” fun to say, but with your support, the fun multiplies with events and unique occasions to celebrate our town's rich history and diverse contributions to the early pursuit of natural rights, popular sovereignty, and the rule of law in the American Revolution resulting in the Declaration of Independence establishing the United States of America in 1776.

At each level of sponsorship below, your organization's contributions to the success of the mission of our committee, “to support and encourage local community engagement with and through commemorations of the historic 250<sup>th</sup> anniversary milestone of the founding of our nation in 2026” will be promoted, celebrated, and publicly recognized.

**We thank you for your organization's leadership in consideration of sponsorship that will make possible the 250<sup>th</sup> anniversary celebrations in 2026 in the Town of North Kingstown and beyond.**

A pledge or financial commitment by your organization will be included and celebrated as a part of our collective efforts to match the contribution made by the Town of North Kingstown and approved by members of the North Kingstown Town Council to fund the activities and plans of this committee.
