

ALLEN HARBOR COMPLEX

Description:

Allen Harbor Complex is a lot running on the northwesterly side of Bruce Boyer Street, approximately Eighteen Hundred Seventy (1870') feet along said street, bordering on the westerly side by Allen Harbor. It consists of approximately 8.8 acres and is located in the Town of North Kingstown and is known as Lot 2 on Assessor's Plat 194.

TITLE REPORT:

The attached sketch taken from the North Kingstown Tax Assessor's Plat 194 shows this property located on the westerly side of Allen Harbor Road and Bruce Boyer Street. The property consists on its westerly side of approximately Sixteen Hundred Fifty (1650') feet of shoreline which follows an irregular course, bounded by Allen Harbor. On the easterly side it borders Allen Harbor Road for Six Hundred Fifty (650') feet and then continues on, bordering Bruce Boyer Street, One Thousand Twenty (1020') feet.

At a regular meeting of the Town Council of the Town of North Kingstown, held on March 13, 2000, a copy of which is attached, the Town Council nominates and affirms as rights-of-way for designation as public rights-of-way to the tidal waters of Rhode Island, the "Allen Harbor Complex".

By letter dated December 4, 2001, a copy of which is attached, the Director of Public Works for the Town of North Kingstown indicates that this area is a Town owned facility and the Town assumes maintenance responsibility through the Town Leisure Services Department. This letter goes on to state that it insures public access year-round and the proper maintenance of the infrastructure.

The letter goes on to state that the Town has completed maintenance and improvements on this project.

Additionally, in the Town records in the Town Clerk's Office, a deed transferring title to said property from the United States of America to the Town of North Kingstown is recorded in Book 352, Page 145 and is dated November 25, 1980.

Based on the above recited facts, the undersigned believes that the site does constitute a public right-of-way to the shore of Allen Harbor.

RE: Rights of Way Designation
DATE: December 4, 2001

The following will respond to your request for information on the maintenance of certain right-of-ways, located in North Kingstown. The three areas in question include the Wilson Park Boat Launch, the Town Wharf and the Allen Harbor Boat Launch. This information is based on established department policies and discussions with Public Works maintenance personnel.

The three described locations are all considered to be Town-owned facilities. As such, the Town assumes a certain maintenance responsibility that is based on seasonal needs, available personnel and approved budgets. The Public Works Department is responsible for the Wilson Park and Town Wharf facilities, while the Allen Harbor Boat Launch is maintained by the Town's Leisure Services Department. The level of service on all three insures year-round public access and proper infrastructure maintenance. However, it should be noted that during winter storm operations, the maintenance of these facilities are not prioritized above road and other infrastructure needs. In addition, over the past few years the Town has completed maintenance and improvement projects on all three facilities.
