Project History: Introduction

In November 2024, 60.2% of voters approved financing \$60,000,000 for Public Safety Complex Projects within Quonset Business Park and at the current shared site of North Kingstown Police & Fire Departments location on Post Road.

The Post Road building was originally constructed in 1957, with NKFD on the upper level and NKPD on the lower level; an addition in 1976, added a police station, and in 2008, an Emergency Operations Center was added for joint dispatch services.

A committee to research the feasibility of replacing the aging and outdated structure first met early in 2021, leading to an RFQ for design services in March 2021.

Work continued, including a space needs assessment (Oct. 2021); feasibility cost estimate (Mar. 2022); Voters turning down bond (Nov. 2023); Plan revision (May 2024); and Public Hearings (July & Oct. 2024); the revised bond passed in Nov. 2024.

LOCAL REFERENDA: QUESTION 6

What it will look like on your ballot:

6. FINANCE PUBLIC SAFETY PROJECTS INCLUDING A NEW PUBLIC SAFETY COMPLEX/POLICE STATION AND A NEW FIRE STATION \$60,000,000 BONDS AND NOTES
(UNCODIFIED ORDINANCE 24-08 adopted August 5, 2024)
Shall an ordinance, passed by the Town Council, entitled, "An ordinance authorizing the Town of North Kingstown to finance public safety projects including a new public safety complex/police station and a new fire station and to issue not more than \$60,000,000 bonds and notes therefor" be approved?

APPROVE

Your vote to "Approve" this question means you support financing up to \$60,000,000 for a new Public Safety Complex to replace the current complex and a new Fire Station housing equipment currently at Station 1.

REJECT

Your vote to "Reject" this question means you do not support the financing of construction for the proposed Public Safety Projects.

Explanation & Purpose of Question 6:

The proposed Public Safety Projects will replace the current home to North Kingstown Police and Fire on Post Road, built in 1957, which can no longer accommodate modern day equipment and personnel in a safe manner according to today's health and accreditation standards.

As proposed, a new Public Safety Complex housing Police and Fire Administration and Police Personnel will be constructed in Quonset Business Park. In addition, a building will be constructed on the current location on Post Road to house the existing fire apparatus to serve the Station One area.

Project History: From Bond Approval to Today

North Kingstown Public Safety Complex

KEY DATES

April 2026 - May 2026

- Public Bidding

June 2026 – December 2027:

- Construction

Jan/Feb 2028:

- Move of operations

Architects Design Group

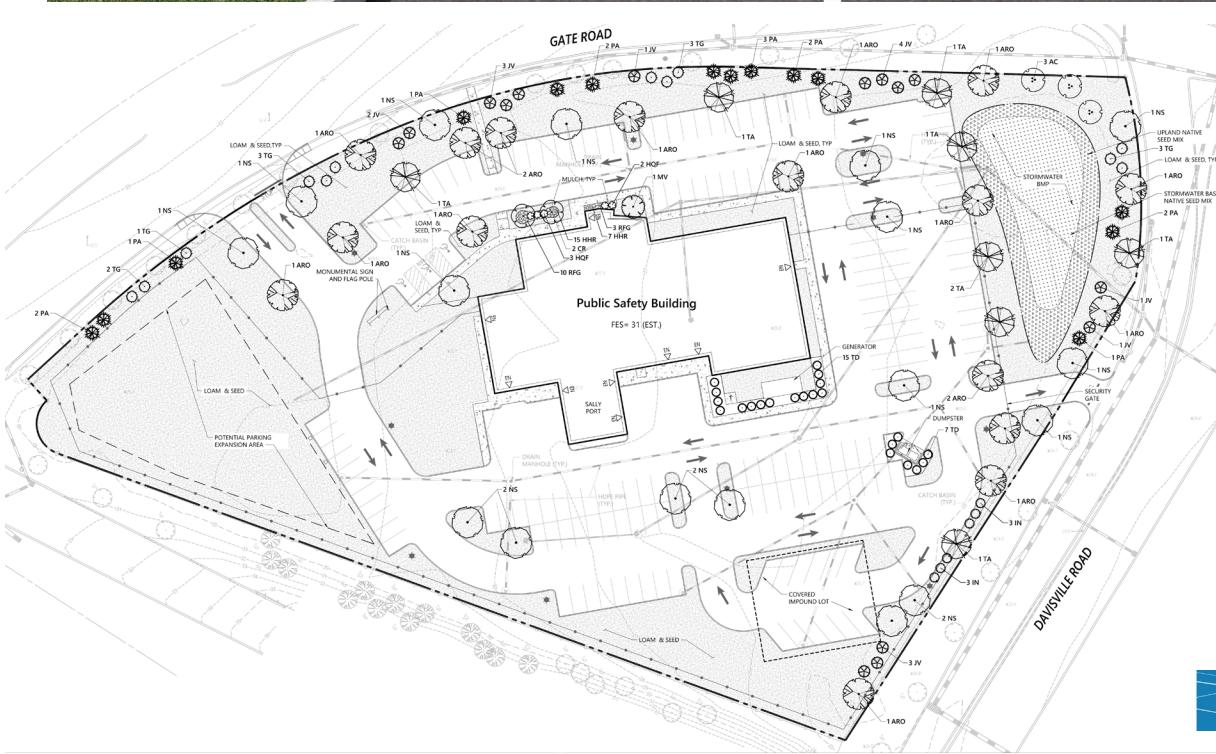

DBVW
ARCHITECTS

North Kingstown Public Safety Complex

LANDSCAPE PLAN & SITE FEATURES:

- Likely a fence for a secure area with gates at various strategic locations
- Exterior sign with flag poles
- Sally port
- Diesel generator
- Transformer
- Dumpster
- Stormwater basin
- 85-ft high communications tower
- Exit-only lane to Davisville Rd.
- Sufficient parking, including ADA and a mix of public and secure spaces

North Kingstown Public Safety Complex

ALTERNATE VIEWS:

- Rear/Exterior of building
- Rear/Exterior from Route 403 W (Exit 3)

North Kingstown Fire Department

Station One

(Post Road)

KEY DATES

March 2025 – Feb. 2026:

- 75% Construction Bid Documents

August 2027– October 2027:

- Restart & Complete Construction/Bid Documents

Nov. 2027 – Dec. 2027:

- Public Bidding

Feb. 2028 – May 2029:

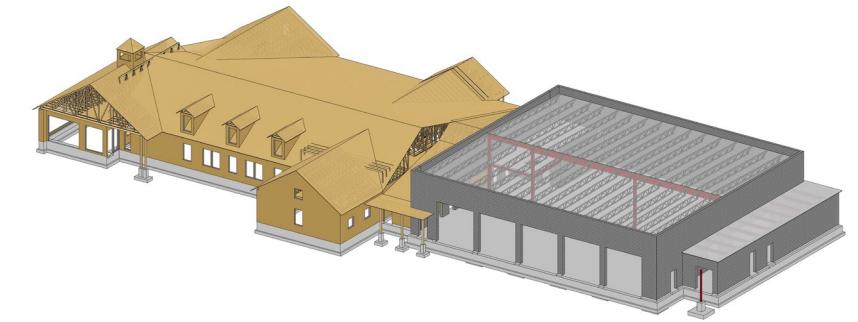

- Construction

July 2029

- Operational move-in

North Kingstown Fire Department Station One (Post Road)

SITE FEATURES

- Sign with flagpoles at front entrance
- Public and secure parking areas with ADA and EV spots
- Parking in 5 Bays for 9 Vehicles/Apparatus
- Display space for Antique Hand Tub Apparatus near front entry
- Retaining wall and stormwater retention plans
- Communications tower

North Kingstown Fire Department Station One (Post Road)

ADDITIONAL SITE FEATURES

- Public and secure parking areas with ADA and EV spots
- Fueling station
- Landscape buffer to North Cove Landing
