### **Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

**North Kingstown Recreation Programming** has put in place preventative measures to reduce the spread of COVID-19; however, NK Recreation **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending NK Recreation Programming, being exposed to the public, could increase** your risk and your child(ren)'s risk of contracting COVID19

---

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending NK Rec Programming and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, NK Rec employees, volunteers, and program participants and their families even though North Kingstown Recreation is taking all possible precautions.

By signing I understand that North Kingstown Recreation reserves the right to cancel the program for any given period of time due to COVID-19 cases and circumstances. In this case there is no guarantee of a refund, a prorated refund, or a make-up. Cancellations will only occur to keep the participants from further spread of the virus.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at NK Rec Programs or participation in NK Rec programming ("Claims"). # Electronic Devices Policy

The North Kingstown Recreation Department looks forward to a great summer with all of our new and returning friends. With electronic devices being so prevalent today we felt it necessary to begin a policy so everyone understands **how and when** electronic devices can fit into our fun filled, action packed camp day.

Our electronics policy is designed to:

- *Encourage your children to spend more time interacting with others, playing and enjoying the outdoors.*
- *Promote socialization*
- *Reduce the stress associated with the damage and/or loss of electronic devices.*
- *Give your children a much-needed break from the world of technology*
- *Ensure that your children will not be exposed to age -inappropriate material*
- *Eliminate the distraction that we all experience with electronics*

*Definition of devices shall include but is not limited to a wireless, mobile, or portable telephone and or tablet, as well as any device that allows two-way communication via radio waves. These devices shall include any device that may be used to store, record, or play auditory and/or visual information.*

We do encourage that children leave electronic devices at home. We understand that you may feel the need to send your child to camp with a cell phone so they can reach you. In order to assist, we will allow children to bring their device but if you choose to send your children to camp with their device it is to be kept in their backpacks with their other personal belongings. We recommend it goes into a case or extra bag to avoid sun damage inside their bags all day.

Recreation and X-Treme Summer Camp staff are not responsible for any lost or damaged items that are chosen to be brought to camp. If your child wishes to reach you, they must ask the nearest counselor for permission to use their device. Any use without permission is prohibited. If you decide no cell phone is needed, we have plenty of staff around to communicate a message to your child as well as phones that they can utilize if a call home is needed.

The possession of electronic devices by campers is a privilege, not a right. in response to student misbehavior, abuse of the privilege, or other reasonable cause, may deny or cancel the privilege of possessing an electronic device and a leader has the discretion of a write up (see interventions & responses). If you have extenuating circumstances, please discuss with recreation office 268-1540

*I have read the above electronics policies and understand what is expected from my child/children and the consequences that may be taken. These rules are set to keep Xtreme summer camp a safe fun environment for all children and staff. I have talked to my child about the electronics expectations, and we understand that these rules are for all locations, busses and field trips alike. If child is to receive suspension for misuse, I understand there will be no compensation for lost funds for camp and/or field trips.*

If a child is to receive suspension, I understand there will be no compensation for lost funds for camp and/or field trips.
