## Cyber Attack Letter

---

We are receiving hundreds of phone calls regarding the "Security Incident" that has been sent out to over 103,000 individuals. Please note – this is not a scam – this is a legitimate letter.

There could be several reasons why your name was "in our system;" Traffic incidents, police reports, fire service, beach passes, marriage certificates, municipal court and probate court matters are just some of reasons your name was included.

Please know that we have no indication that your data has been used or compromised. This letter is being sent due to your name simply being in our system and out of an abundance of caution, we are offering complimentary access to a credit monitoring service. Information on how to access the free service can be found on page 2 at the top of the letter under the "Enrollment Instruction" heading.

Please call the national Call Center at (833) 627-2711 if you have any questions or need additional information.
