**PRESS RELEASE**

**Mollis Receives Appointment to Governor's Workforce Board Local Area Advisory Committee**

**North Kingstown, RI** — Town Manager A. Ralph Mollis has accepted an invitation to join the Governor's Workforce Board Local Area Advisory Committee by Alyssa Alvarado, Executive Director and Chairperson Michael Grey and Governor Dan McKee.

The Local Area Advisory Committee has oversight over the One Stop System (American Job Centers) in the Greater Rhode Island local area; manages technology needs to improve access and communication among partners, conducts program oversight, negotiates performance measures, selects operators and providers, and assesses physical and programmatic accessibility.

Within the five meetings planned for the FY24 Committee schedule, members will have input into the design, deliberation, and development of policies impacting the local area, and draft the local area Workforce Innovation and Opportunity Act (WIOA) plan.

"I am thankful for the invitation to serve on this committee," says Mollis. "Direct involvement in the integration of funding sources and programs to advance state and local priorities to improve Rhode Islanders' economic opportunities, and the opportunity to craft and deliver a distinct advantage to Rhode Island employers with access to a diverse and talented labor market is something I am honored to take part in."
