

Eco-Depot:

North Kingstown

SATURDAY, August 17, 2024

8:00AM - 12:00PM

**NORTH KINGSTOWN
DEPARTMENT OF PUBLIC WORKS
2050 DAVISVILLE ROAD**

Rhode Island Resource Recovery requires an appointment be made through them for this event. Eco-Depots are free collections for properly disposing of household hazardous waste from RI households. Household hazardous waste is anything labeled with a skull and crossbones, or words like 'toxic', 'poison', 'flammable', 'combustible', etc. Examples include mercury devices, automotive fluids, fertilizers, pesticides, pool chemicals, and polishes. Appointments are made to prevent everyone from showing up at once, which reduces wait time in line. We try to service 25 cars every 15 minutes—you won't even need to get out of your vehicle!

Visit Rhode Island Resource Recovery's website to make an
appointment: www.rirrc.org
